Potential Downfalls of Storytelling

## A Necessary First Step for Storytellers:

### Homework:

- Find an image/work of art...perhaps a favorite painting...give it a story.
- Choose a parable from the sheet:
  - Read it 3 times
  - Looking at the broader context, why do you think Christ told the parable.
  - What does it really mean?
  - What are some other perspectives you can read it from?
  - How does that change the understanding?
  - Re-write the parable in our world today.
